Non-Religious Beliefs

**Writing:**  
 In English, we will be concentrating on regular handwriting to improve our letter formation.

Drawing club allows our imaginations to take inspiration from a book and create amazing drawings and write some fantastic codes and sentences to tell our own story.

Extra-Curricular Learning:

World Book Day  
 Science Week  
 Red Nose Day

**Geography:**  
 The world, oceans, continents, countries, cities and landmarks are the focus for geography. We will be identifying locations and labelling maps with the help of a globe, map and atlas..

**RE:**  
 In RE, we will be learning about the Christian Easter Story.

**Mathematics:**  
 This half term, we will be learning about adding and subtracting up to 20 with particular focus on our number bonds to 20.

**PSHE:**  
 This half term we will look at what is meant by 'Healthy Living.' We will be looking at diet, but also how to keep our bodies and minds healthy through exercise and mindfulness.

**Music:**  
 Our topic is called 'Zootime.' In this unit, we will be listening to various types of music and discussing how it makes us feel, does it tell a story and what does it make us think of.

Later in the half term we will be using instruments to make our own music.

**Science:**  
 We are exploring daily materials, such as wood, metal, paper and plastic. There will be opportunities to go on a hunt for materials and record what has been found to check for understanding.

Later in the half term we will be looking at animals and identifying herbivores, carnivores and omnivores.

**DT:**  
 In DT, Year 1 will be learning about axels and joins followed by making vehicles, rockets and planning, reviewing and making fruit salad.

**PE:**  
 Indoor PE will be on a Tuesday and outdoor PE will be on a Wednesday.  
 We will be learning ball skills and gymnastics.

**Art:**  
 Art includes drawing ladybirds, potato printing and producing collages that include landmarks, space and landscapes that are inspired by Eric Carle.
